2. On a review of the position, it has been decided not to allow the import of buttons of all types including plastic buttons to any category of importers including those under the Export Promotion Schemes.

3. It has also been decided that wherever imports of certain varieties of buttons are permitted under the Export Promotion Schemes against exports of hosiery, graments etc., the licensing authorities will permit import of the raw material for such bottons *viz.*, acrylic monomer or acrylic plastic sheets instead of allowing import of buttons under the said schemes. The entitlement under the export promotion schemes for the import of acrylic monomer or acrylic plastic sheets will be the same as applicable in the case of buttons under the existing export promotion schemes.
